

Risk Assessment

Risk assessment is a systematic general examination of working conditions, workplace activities and environmental factors that will enable the Parish Council to identify any and all potential inherent risks. The Parish Council, based on a recorded assessment, will take all practical and necessary steps to reduce or eliminate the risks, insofar as is practically possible.

This document has been produced to enable Lavant Parish Council to assess the risks that it faces and satisfy itself that it has taken adequate steps to minimise them.

MAINTAINING FINANCIAL RECORDS

Subject	Risk(s) indentified	H/M/L	Management/control of Risk	Review/Assess/Revise
Precept	Adequacy of precept in order for the Council to carry out its Statutory duties	L	To determine the precept amount required, the Council regularly receives budget update information monthly. At the precept meeting Council receives a budget report, including actual position and projected position to the end of year and indicative figures or costings obtained by the Clerk. With this information the Council maps out the required monies for standing costs and projects for the following year and applies specific figures to budget headings, the total of which is resolved to be the precept amount to be requested from Chichester District Council. The figure is submitted by the Clerk in writing. The Clerk informs the Council when the monies are received.	Existing procedure adequate.
